Study history - develop tourism

Public call

PROMOTION AND STRENGTHENING OF
COMPETENCES OF VOCATIONS IN TOURISM
2018.

Study history - develop tourism

General objectives of the project :

- encouraging employment in the municipality of Topusko through the promotion and development of all-year cultural tourism
- increasing the attractiveness and competitiveness of tourism in the municipality of Topusko

Specific objectives of the project :

- creating a tourist attraction in the area of Topusko Municipality with the aim of increasing the competitiveness of continental tourism in Croatia
- co-operation and presentation of institutions and societies whose activities are researching, evaluating, renewing and presenting cultural heritage
- cooperation and linking of institutions in the area of Topusko and Sisak-Moslavina County with the aim of empowering tourism resources
- developing entrepreneurship and teamwork among students

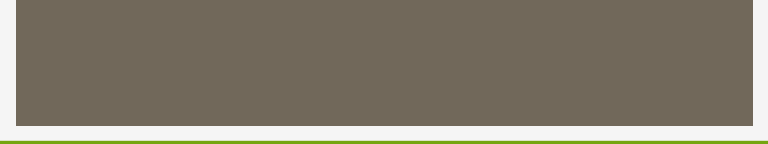

Activities of the project :

- 1.) informing the local community and all business entities involved in tourism on the project and coordinating the planned activities of marking the arrival of Emperor Francis I. in Topusko

- 2.) studying and exploring the historical context related to Topusko in the first half of the 19th century

3.) study and research on dress, makeup, hairstyle and gastronomic offer of the Military Border in the first half of the 19 th century

4.) making of promotional materials

5.) central manifestation with costumed historical-stage depiction of the arrival of Emperor Francis I in Topusko

6.) media coverage of the project

Study history - develop tourism
